QUALITY YOU CAN SEE!

PROFLEX TRUSSING™ IS CRAFTED IN EUROPE BY OUR MASTER TÜV CERTIFIED WELDERS. EXPERT WELDERS MAKE THE DIFFERENCE AND INSURE THAT YOUR TRUSSING IS STRONG, SOLID AND SAFE.

Craftsmanship and Quality you can see!

**COMPETITOR'S
QUALITY**

PROFLEX QUALITY

We are Proud to have earned the International TÜV Certificate for Safety

CRAFTED IN EUROPE WITH ATTENTION TO DETAIL, PROFLEX TRUSSING™ IS MANUFACTURED TO THE HIGHEST QUALITY STANDARDS. WE ARE PROUD TO HAVE EARNED THE FOLLOWING INTERNATIONAL CERTIFICATES WHICH ENSURE MAXIMUM QUALITY AND SAFETY.

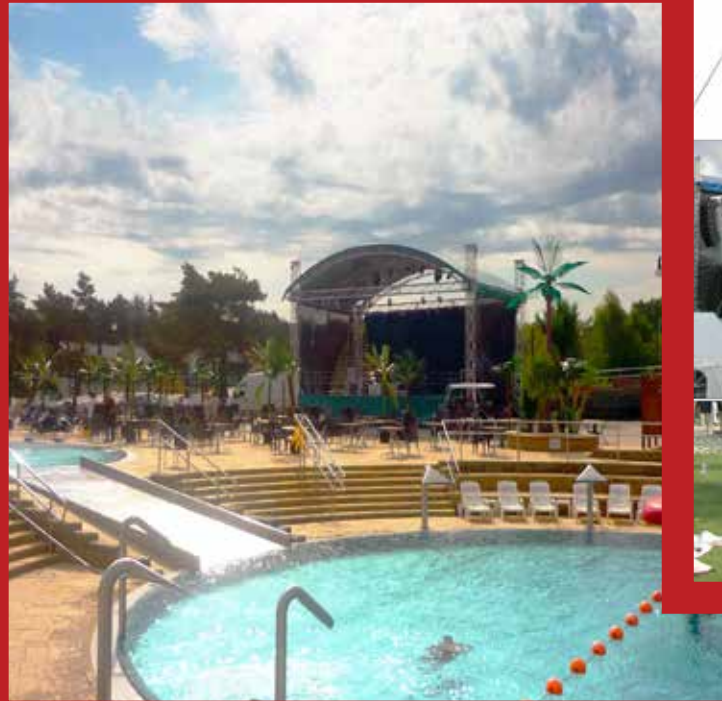

TUV Certificates

ProFlex Trussing™ is TV certified. A TÜV certificate ensures the maximum quality and safety of a product. TÜV is a global provider of technical, safety, and certification services. TÜV is a 3rd party certification body and a Nationally Recognized Testing Laboratory (NRTL) headquartered in Munich, Germany . They are represented internationally in more than 130 locations worldwide and have been around for over 130 years. TUV has issued over 24,000 product and 12,000 quality management system certifications globally. The company's range of services include inspections, tests and expert opinions as well as certification and training.

GSI SLV Certificates

ProFlex Trussing™ is proud to be GSI SLV certified. GSI SLV is an independent International organization which sets technical and safety standards in welding, welding education, cutting and testing for welding and welded products. All ProFlex welders are GSI-SLV certified welders.

CUSTOM SOLUTIONS

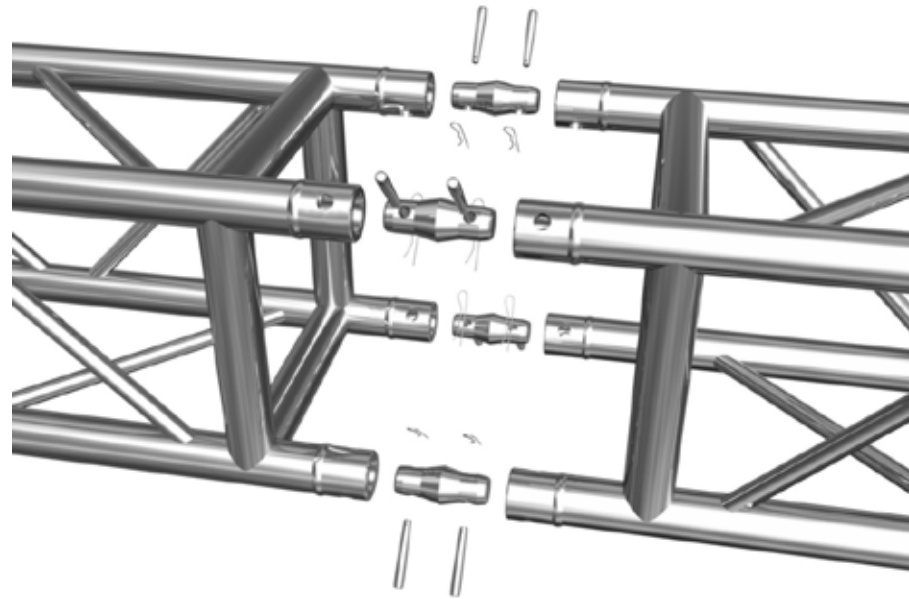

From small tradeshow applications to large professional venues, we can help you design the perfect Truss/Canopy Roof system for your event. Full engineering calculations are also available upon request. * Fees for calculations of loads for specific configurations/events apply.
